IT'S UNANIMOUS!! EVERYONE LIKES MY NEW SHOPPE

All the regulars from my old shoppe say variations of the same thing when they walk into my new shoppe: "OMG!! It's huge." It's double the space of the old shoppe. No more squeezing between rows of clothes. Even the "bar" smell in my new shoppe is dissipating much quicker than I thought it would. Slowly but surely the shoppe will have it's usual fragrant "Nanny Jeans smell" as my old shoppe did.
